May 23, 1951.

Dear Mike:

I have a problem and need some help and feel that your experience in civic affairs and the like should give you the knowledge necessary to help me find the answer. This is my problem - and it isn't mine alone - as I am only one of many on the Board of "Carmel Welcome House" - our Club for Service Personnel:

As you know, we have been housed very graciously these past few months by The Church of the Wayfarer, but now that the building in which we have held forth is up for sale we have found it necessary to look for other quarters.

We have been offered very suitable rooms on Ocean Avenue, upstairs over the Carmel Restaurant, at a nominal rent and, of course, we are going to need money. When "Welcome House" was started the service organizations came forward with offers of monthly stipend, which we shall now fall back on, but the move from one building to another is going to cost money. There is a need for redecoration in the new location and we would like to have a little reserve for eventualities.

This project - "Welcome House" - has been a community one, asked for by the City of Carmel and organized and developed by Carmel citizens.

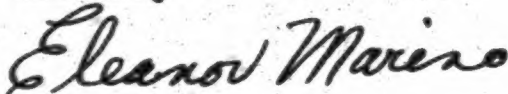

The time has come when we need promised support - PLUS. Do you know the best way to go about getting it? We have so many "DRIVES" during the year that we don't want to burden people with another one. Do you think an appeal through the columns of your paper would bring the necessary help? In other words, do you have any suggestions to make; if so, please do! In all, we feel we need about \$500.00 to see us through this move and give us a little reserve.

I am sure anyone in Carmel who has had the opportunity to talk to any of the boys who have enjoyed the things "Welcome House" has had to offer would be very happy to contribute something towards its continuance.

Please let me know, as soon as you have a chance to mull this over, what steps you would suggest taking. We will give them very serious consideration in view of the fact that you have been so very helpful to us from the beginning and we appreciate your courtesy and publicity in our behalf.

Thanks for everything!

Sincerely

Eleanor Marino  
Secretary, Welcome House.

Mrs. Eleanor Marino

Dear Eleanor:

I don't know if this will help or not but let's try it and see what happens. I am devoting page 2 of this week's issue of the SPECTATOR to your letter and appeal. That will help publicize the plight of "Carmel Welcome House". Through this medium you will reach a majority of Carmel and Pebble Beach residents who are responsible citizens who should want to contribute.

Katharine and I will start it off with our check for \$10.00. There must be 49 others who will go along RIGHT NOW. If they will fill out the coupon in the left hand corner of page two of this week's paper you will be able to do the job that you and I know MUST be done.

I greatly appreciated the "lift" that such organizations as the "Carmel Welcome House" offered me during the last war and maybe I'll need them again. We can't tell that. However, it really isn't guys like myself that need that friendly greeting away from home or camp--it's the fellows stationed around here who have had a "break" in discovering Carmel and what it means to us who live here. They would like to see a bit more of the place and they need headquarters. Carmel Welcome House offers them that. You have to succeed.

Cordially,

## CIRCULATION TRAVEL CLUB ENDS.

## ACCLAIMED A BIG SUCCESS

Last Friday at 8 P.M. the big CARMEL SPECTATOR Circulation Travel Club ended amid a feverish burst of activity among the contestants. Hundreds of new subscribers were added to those already regular readers of the Peninsula's Picture Paper.

In March, the SPECTATOR was fortunate in securing the services of Miss Oma Perry, well known among California newspapers as a circulation expert, to conduct a Peninsula-wide concentrated drive to put the paper out in front among Monterey County weekly newspapers. Our thanks go to Miss Perry for a job well done. We are pleased with the results and our readers and advertisers can look forward to a better paper.

The SPECTATOR wishes to thank all the club members for their efforts and for the manner in which they made so many new friends for the paper in the solicitation work.

There are several checks ready to be picked up in our office belonging to club members who did not win prizes but who are entitled to 50¢ on each subscription sold. We would appreciate it if those members would call for their money.

Those who have been following the contest may be surprised at the large number of votes rolled up by the winning club members, but since the beginning of the contest, candidates were allowed to reserve their bonus votes. This was done in order that no one might know the exact standing of anyone else until the judges counted the final returns and announced the winners of the awards. The judges counted the final votes Friday night immediately after the contest closed at 8 p.m.

The winning contestants and the number of their votes are as follows:

First Winner--Barbara Ann May, Honolulu Trip 11,040,000 Votes

Second Winner--Louise Harber, \$200.00 Cash 4,843,500 Votes

## District One

First Winner--Mrs. W. M. Weeks \$100.00 2,777,300 Votes

Second Winner--Nancy Dassonville \$50.00 875,700 Votes

## District Two

Second Winner - - Peggy Glaser \$50.00 850,700 Votes

## District Three

## CARMEL VALLEY ROAD IMPROVEMENTS PROGRESS

Work on the new section of Carmel Valley highway is progressing rapidly, grading being almost completed from approximately the Rock Quarry to Farm Center. Surfacing has not yet

WAVING A CHECK representing an all-expense trip to Honolulu, the lucky and lovely Grand Prize winner of the SPECTATOR Circulation-Club Contest, Miss Barbara Ann May shows by her smile that her all-out campaign for subscriptions really paid off. And is she happy!

"I won't forget any of you--the people who bought subscriptions from me--or the SPECTATOR staff. You'll be hearing from me again in the near future," she promised. It is doubtful, however, that Miss May will write each of her numerous subscribers post cards from the Royal Hawaiian Hotel, being too busy enjoying the Hawaiian sunshine and revisiting her birthplace.

"I wanted particularly to revisit Honolulu," she added. "I was born and spent most of my childhood there, but I haven't seen the Islands since I was ten. It's going to be wonderful meeting old friends and renewing memories again."

Pictured above with the winner are her parents, Col. and Mrs. Thomas May, of Carmel. Are they happy, too? Look at them.

The road is in good condition for traveling, particularly early and late in the day when crews are not working, and on weekends, at which time the road gang makes special effort to leave the road in good condition for visitors to the Upper Valley's large resort area.

## SYMPHONY ORCHESTRA CONCERT, MAY 29

By Eban Whittlesey

An interesting program has been announced for the spring concert of the Monterey County Symphony Orchestra, to be held at Sunset Auditorium, Carmel, on Tuesday evening, May 29, at 8:15. Seats are unreserved and may be obtained at music stores or at the auditorium on the evening of the concert. Admission is \$1.20 for adults, half price for students.

The two conductors, Lorell McCann and Clifford Anderson, will share the program in this final concert of the season. Appealing and colorful music by composers of three centuries will be played. The first half of the program, under Mr. Anderson's baton, will include the Arlesienne Suite, by Bizet, always popular for its stirring dance rhythms, a repetition in response to numerous requests, of the two movements of Haydn's Oxford Symphony, heard on an earlier program. Mr. Anderson will also conduct the orchestra in Mozart's overture to "The Shepherd King," and, as a modern touch, the popular "On the Trail" music from Ferde Groge's Grand Canyon Suite.

Mr. McCann makes his bow to the classicists with a Toccata by Pergolesi. He will provide a bit of Spanish color with Massenet's ballet music from Le Cid. "Slavonic Rhapsody" by Carl Friedemann will be slightly reminiscent of the turbulent rhapsodies of Liszt. In addition to Groge, another American composer is represented

in the person of Leroy Anderson, whose gay "Sleigh Ride" will also be interpreted by Mr. McCann.

### MEMORIAL DAY

The 10,000 new white crosses which have appeared in American military cemeteries since last year give this Memorial Day of 1951 an especially sober tone.

It is our privilege and duty to honor those who have fallen in battle. But a greater duty, emphasized by our losses in Korea, is to help save more of our boys from the grave.

This reminds us that giving blood is more important than giving speeches, that putting effort into Civil Defense is more important than putting flowers on headstones, that devoting our lives to helping oth-

ers is more important than devoting our lives to grief.

By this we mean no disrespect to the dead. But we know that the highest honor we can pay them is to serve the living. We are sure that those who have gone on would want it that way.

On this Memorial Day each American should do some real soul searching. Our Nation faces momentous decisions which will affect the lives of countless numbers here and abroad. We cannot leave these decisions solely to those in authority. We must grapple with the issues and contribute our thoughts to the welding of sound poli-

cies and practices.

The heartfelt eulogies, the solemn ceremonies and the flowers of remembrance are a fitting part of Memorial Day. This is as it should be. Our point is that these are hollow gestures without the daily deeds which give them meaning.

Don't forget the Scholarship Carnival at Carmel High School Saturday. Hear "Liltin' Martha Tilton" and have lots of other fun.

## CARMEL POSTMASTERSHIP

This editorial concerns the appointment of a new postmaster in Carmel...

So far as we have been able to determine, there are four candidates for the position. Three of them--Fred Mylar, Maurice Stoney, and Felix Dowglallo have had many years of postal experience. The fourth, Alfred Mollner, has been a Civil Service employee for 10 years. They all know government operation and are undoubtedly efficient civil servants.

That takes care of criticism of an out and out political appointment--which was formerly a nationwide custom in the postal service.

Next comes political affiliation. Three of the applicants are registered Democrats--Stoney, Mollner, and Dowglallo. Mylar is a "born Republican," as he puts it. The recommendation that is tantamount to appointment by the Administration is to be made by the County Democratic Central Committee. Bearing in mind that a political appointment to a job such as postmaster does not always consider primarily the comparative qualifications of each applicant as opposed to party affiliations, The SPECTATOR nevertheless feels and hopes that the County Democratic Central Committee will do its best to be fair to each candidate regardless of his politics.

If merit is the prime factor in the committee's decision, Mr. Mylar will be the next Carmel postmaster. That he is backed by the Carmel City Council and by 18 out of 20 of his fellow postal employees will be strongly considered. That he has been assistant postmaster for 13 years, and directly managed much of the post office business, makes it seem natural that he should take over the postmaster's desk. His high civic standing and the general regard held for him by the members of the Carmel community must also be influencing factors. He is a World War I veteran and a charter member of the local American Legion Post.

A weekly newspaper such as The SPECTATOR, in a village such as Carmel, has many occasions to be intimately con-

cerned with the post office. We have had many opportunities, therefore, to note the efficient manner in which Fred Mylar conducts his duties. We join with many, many others in hoping that Fred Mylar will be appointed Carmel's new postmaster.

## POLICE CALL

Ending four years as CPD Senior Desk Officer, last week, Art McEwen gives up writing police reports for free lance writing and photography. Newspaper work no new field for Art. Between high school and college was staff reporter on S.F. Chronicle. Post-college went to work on S.F. Call-Bulletin as reporter, rewrite man, copy desk, assistant feature editor, and finally picture editor. Allen McEwen, his father, former political editor of Call-Bulletin; his grandfather, chief editorial writer for Hearst syndicate. Art settled in Carmel in '45 after overseas service as Signal Center Chief with 3104th Signal Service in France. Now after four interesting years on CPD, is back on newsbeat for good.

Replacing Art as Senior desk officer, Dan D. Thorp, recently back from Honolulu, where he was business manager of Kapiolani Hospital. For many years hotel accountant, was bookkeeper at old Hotel Del Monte in 1930. Thorp family early settlers here, his great grandparents buried on the old Thorp Ranch down-coast on Malpas Creek.

Lady discovered grandson missing, called CPD. Police, placing selves in child's place, looked about for most likely start of child hunt, promptly lifted Junior from nearby clump of bushes.

Lady phoned in saying someone prowling on roof. Police checked roof, beside skylight found big peeping-tomcat.

Largest car clout in several years reported recently at CPD. Police looking for villain who jimmied wind wing of Canadian visitor's car at beach parking area, removed \$1100 cash from trouser pockets, wrist watch worth \$75, small change purse

**MOVES FROM NEW YORK--** Dr. Reed H. Gerard (above) who is taking over the dental practice of Dr. Howard F. Murphy of Carmel is a Fellow in the New York Academy of Dentistry and honorary member of the American Dental Society of Europe. He has been one of New York's outstanding dentists. Among his patients there were Ilka Chase and Grover Whelan. Dr. Gerard has done post-graduate teaching throughout the United States and in Europe. At one time he was Educational Director of the S.S. White Co., largest manufacturer of dental equipment. Incidentally, Dr. Gerard will use the new airbrasive technique in his work. The machine for this method of performing dental work is the one that has recently received so much publicity in national publications. It supersedes the widely used drill, a fearsome sight in many dental offices.

#### FRANZ DOELMAN WILL GO TO CAL STATE TRACK MEET: ALSO PACIFIC AAU

Representing Carmel High School's track squad as the sole qualifier for the California State Meet to be held at Berkeley tomorrow, May 26, is Franz Doelman who will compete against 15 top flight high school half-milers in the all-high school interscholastic event.

Doelman is expected to place high in the money despite the stiff competition and the Berkeley track which for some reason has never seen his best time.

This fast young Carmel High senior, now running his second year, recently broke the CCAL 880 yard record of 2:015 with a sharp 2:001. However, in the North Coast Section of the CIF (California Interscholastic Federation) event last week, he pulled in third, qualifying nonetheless for tomorrow's big meet. Some 52 high schools were represented in the meet.

He won the preliminary sectional interscholastic event a week ago held at Sunnyvale with Peninsula, Santa Cruz, Santa Clara County and other high schools of this region making qualifying attempts for the North Coast CIF.

Doelman will also be entered in the Pacific AAU meet set for June 2. In a special event for high school runners he will make his first start as a miler. Both his high school coach, Howard Byrnes, and local track enthusiasts expect big things of Doelman when he enters college--which one is still undisclosed--next fall. Of the State Meet and the PAAU coming up, Bill Giles, unofficial assistant to Coach Byrnes stated: "Whoever beats Franz is going to have to run like hell."

Another Carmel High runner, Eugene MacFarland, a junior, placed fourth in the North Coast CIF meet in the 220 yard event, but failed to qualify for the State Meet. Carmel's relay team, sparked by Doelman, also showed nicely.

#### BOY SCOUT EXECUTIVE BOARD MEETS

Executive Board of the local Monterey Bay area Boy Scout council held its third regular meeting of the year on May 24 at the Casa Munras Hotel, Monterey, starting with dinner at 6:30 p.m.

Reports were made of condition of scouting and, in addition, action will be taken on program, objectives, and budget for the year 1952. A number of committees have been as-

ting in the development of the council's three-county budget for the next year and finance chairman Karl V. Christensen presented their recommendations. Board members who administer scouting in the area come from the six districts of the council; they are, from Peninsula district, E. M. Sullivan, E. M. Seifert, J. F. Martin, Sheldon L. Gilmer, Jack Dougherty, H. W. Powers, O. W. Irwin, and A. M. Lester.

Re-routing Long Distance circuits—one of the many interesting, vital jobs for women in the telephone business.

## THE GIRLS BEHIND EACH TELEPHONE "HELLO"

Theirs are important jobs—and they do them well

1. Here's one business where the spotlight's really on women. Because of the nature of telephone work, nearly two out of every three telephone people are women—a high percentage. And they must be capable, well-trained women to handle your calls efficiently and serve you well in our offices. We train them, at our expense of course. And they earn good money in this important work.

3. It would be hard to imagine work for women today more important than a job in our nation's telephone service. For now, more than ever, our country needs swift, reliable communications to help speed the job of defense. And it's reassuring to know that in these days of high prices on most everything, you still get a bargain when you buy telephone service. Here in the West, on the average, telephone rates are up less than half as much as the cost of living.

2. Practically every sort of job—from accounting to teaching—can be found in our business. In addition to good pay, the girls have the security of the company-paid Benefit Plan and enjoy holidays and vacations with pay. All know they have a good chance to advance as their ability grows. Perhaps the best evidence of the importance of women to us is that hundreds have management jobs.

## OFF TO THE RACES

Over 10,000 thrill-minded spectators are expected to turn out Saturday and Sunday for the 1951 sports car races, a grueling 135-mile open road contest held on the spectacular two and one-half mile Pebble Beach course. Highpowered European-built racing machines and top flight drivers will be pitted against each other in this second annual Peninsula classic, sponsored by the Sports Car Club of America. This colorful event, held first in November last year, will be a Spring sporting attraction in the future.

Along with the thrilling exhibition of driving skill and car performance, the Concours d'Elegance, a traditional part of European road racing meets, will show off a variety of unusual and handsome automobiles which will be judged for their usefulness and beauty.

Last year's 60 mph speed average is expected to go up this year with more straight stretches permitting greater acceleration, and with an extra half mile of course added. However some scarcely-negotiable turns promise thrills as drivers seek to keep up their time.

Road racing has always been greatly favored by Europeans over the American style of track racing, and their cars have been designed to take the rigors of this form of high speed mechanical torture. Therefore watch for the numbers of sleek European representatives, such as Allards, Jaguars, and in the lighter classes, MG's. One American car is touted highly in its class. It is the Crosley-Hotshot, which has won consistently in its category the past two years.

Time trials will be held Saturday, the main races on Sunday. The program begins with the Concours d'Elegance at 10:00 a.m.

ONE OF THE THRILLS FROM LAST YEAR'S RACE

NAVY MAN RECEIVES  
MEDALS FOR HEROISM

Lieutenant (jg) Ted R. Fielding USN, has just returned to this country following extended service in Korea. At Pusan, Korea, on January 15, 1951, he was awarded the Bronze Star "for heroic achievement as Boat Group Commander serving with an advance attack group during the amphibious assault against Inchon, Korea, on September 15, 1950. In the face of heavy enemy fire and difficult hydrographic conditions, he assembled the assault waves and effected their successful landing. After all boats had been beached, he supervised the landing of explosives for use in demolitions, assisted in the evacuation of wounded marines from the area, made a personal beach reconnaissance to determine the depth of water and beach gradients, and secured valuable information for use in the beaching of LST's and the unloading of vitally needed arms, gasoline, and equipment. His daring initiative and inspiring leadership were in keeping with the highest traditions of the U.S. Naval Service."

The Silver Star Medal was awarded to Lieutenant Fielding April 30, on his arrival in Coronado, "for conspicuous gallantry in action while attached to Underwater Demolition Team one and serving with Special Operations Group, Amphibious Group One, Pacific Fleet, on a night reconnaissance mission behind enemy lines on the west coast of Korea. Lieutenant (jg) Fielding particularly distinguished himself in the face of enemy fire on the night of August 25, 1950. As officer in charge of a volunteer boat crew returning to evacuate a marine detachment of nine men who had been cut off from the Special Operations Group by concentrated enemy gunfire, he maneuvered a rubber boat to within 150 yards of a hostile beach, upon which active enemy rifle and machine-gun fire persisted, to locate scattered groups of marine personnel. As a result of his courageous and heroic conduct, recovery of all personnel was effected. His steadfast devotion to duty was in keeping with the highest traditions of the United States Naval Service."

Both presentations were made by Lieutenant Commander D. P. Welch, U.S.N. Lieutenant Fielding is on leave and has joined his wife (Jacqueline Work) at the home of her parents, Mr. and Mrs. Thomas A. Work, Jr. at Pebble Beach. The Fieldings will soon leave for Coronado where they have taken a house.

## ANSWER TO THIS WEEK'S

## WHO IS IT?

No, the crowd hasn't gathered to witness some phenomenon--it's just people shopping for their "lectables" at Kip's--which has recently been bought by our "Who Is It?" of this week, Bill Smith and Tony Kastros.

Although Tony has been in the grocery business before, both in Modesto and here in Carmel at the Drive-In, that is not all he has done. Born in Grand Junction, Colorado, he went, early in his career, to Europe where his family

lived for three years. Returning to this country in plenty of time for his schooling, he graduated from a New Mexico high school and majored in business administration at the University of Utah. Five years in the Army gave him more than a bowing acquaintance with the entire southwest Pacific. "After that, what did I do? I met a beautiful woman and married her!

Bill Smith is a Washingtonian, having spent his boyhood Vashon Island. While at the University of Washington, he distinguished himself by making "All-American" in 1933. Between '33 and '40 he played professional football for the Chicago Cardinals, acting as assistant coach for the "Cardinals," and later for the Hawaiian "Warriors." His war experience as investigator for Naval Intelligence was a matter of playing hide-and-seek with spies and saboteurs. After the war, Carmel, which he had previously visited by way of the Navy, became "home," his first few years here having been spent in the construction business in partnership with his father-in-law.

In spite of the fact that a grocery business keeps its owners everlastingly at it, there are odd moments in which to do other things than tell customers where the crackers may be found or what the prices of canned goods are, and during those moments Bill beachcombs, carves wood, and dabbles in photography.

So, when next you go to buy your spaghetti and beans, if you too are an artist either with camera or carving tool, you can swap ideas with Bill or give him a chance to revive that "lateral," as he heaves you from the topmost shelf in Kip's that can of beans you couldn't find.

## SCHOOL ENTRANCE AGE REQUIREMENTS

Registrations for next year's kindergarten and 1st grade will take place on June 1st from 9:00 to 11:30 at Sunset School, and 1:00 to 3:00 at Carmel Woods School.

Kindergarten students are eligible who were born on or before March 2, 1947; 1st grade students are eligible who were born on or before March 2, 1946.

Under the new law regarding school entrance age requirements the entrance ages will be raised to 4 years 9 months, and 5 years 9 months. This will mean kindergarteners must have been born on December 2, 1946, or prior to that date, and that 1st graders must have been born on December 2, 1945, or prior to that date.

The date the new law becomes effective depends on the date the legislature adjourns. All children will be registered and their parents will be notified if the children are not eligible. Reports from Sacramento indicate that the new law will probably not be in effect until about September 15.

Your P. G. and E. rates—  
lower today than in 1940!

Despite an 87% increase in the cost of living since 1940, your P.G. and E. rates are lower today than 10 years ago. In fact, they are among the very lowest in the nation. Why do your gas and electricity cost less? Because: 1. The more you use the less you pay for additional gas and electricity. And today you use nearly twice as much as you did ten years ago. 2. Alert employees and careful management constantly improve our efficiency. The savings that result are passed along to you. Remember: The rate you pay is lower, though your utility bill may be more than in 1940 because you use more gas and electricity.

**P.G. and E.**  
PACIFIC GAS AND ELECTRIC COMPANY

Mr. Fred J. Marchi, Los Gatos butcher, one of P. G. and E.'s 170,000 stockholders. Through their investment we have been able to meet the increased demand for gas and power. We have spent over \$700,000,000 since 1945 on new facilities.

P.G. and E. foreman Tom Stermer says: "One reason your rates are lower is because the Company encourages all hands to improve service, cut waste, improve efficiency. I received a \$700 award last year for an idea that cut production costs."

Mrs. Frank M. Cooly, Greenbrae housewife says: "With two youngsters to feed, and a 7-room house to take care of, you bet I depend on my appliances! Yet our P.G. and E. bill is about the smallest item in my monthly household expenses."

Dear Mike:

Oh, boy! Are we having fun right now... Ollie is in the cast of "Stepping Sisters" up at the Barn and we're all getting stage-struck around here. Both the cast and crew are madly dashing up and down the hill, day and night, getting ready for the opening on Memorial Day.

We got together with Ken Smith and have arranged some doings down here for the OPENING NIGHT. We've moved dinner back to begin at 6:00 p.m. so folks won't miss the first act curtain. And after the show, we'll have everything all ready to finish off a gay evening... cocktails, midnight snacks, singing, dancing, and, of course, you'll meet the cast!

Hope you'll be around for the big night!

THE CARMEL VALLEY BARN THEATER, newest Peninsula theatrical enterprise, opens its doors next Wednesday, May 30, with a rollicking drawing room comedy involving three burlesque queens, played by Mildred Kimball, Barbara Norberg, and Madeleine Powers Leoni, pictured, left to right, above. Directed by David Eldridge and produced by Ken I. Smith, "Stepping Sisters" inaugurates a Carmel Valley summer theater movement long proposed by Valley residents and put into effect this summer by Ken Smith with the renovating of a former barn. The picturesque little show seats nearly 200 people, has a good sized stage, and new stage lighting.

Other members of the cast include Sall Dalton, Douglas Bradburn, Barbra Jean Verga, Ollie Brooks, Lt. (USN) H. G. McGrath, Lt. (USN) Harry Evans, Ester Fleharty, and Bob Jones.

**MUSIC AND DANCE FESTIVAL.** Students from three Dance Schools of Monterey, Carmel, and Salinas have combined their talents under the direction of Dorothy Dean and Dick Nordt to present a Music and Dance Festival for the benefit of the Monterey Peninsula Community Concert Association Piano Fund, in the Pacific Grove High School Auditorium, on Friday and Saturday nights, May 25 and 26, at 8:15 p.m. Along with the dancing, which ranges from tap to ballet, will also be numbers from each of the following: The Masonic Choir, with Jimmy Griffin conducting and Robert M. Forbes accompanying; 3-year old Jan Bruno, who stars on drums; Deborah Cecil, young chanteuse from Salinas; Mackey Swan, baritone, who will be accompanied by Lynn Swan, and the Rhythmairs, a 14-piece dance band from Pacific Grove High School under the direction of J. Herb. Miller. Also taking a colorful part in the evening's entertainment will be the folk dancer from Junipero Serra School.

Over 150 participants in this festival should assure their audience of a varied evening of pleasure. Students in the production are from the Dorothy Dean School, the Carmel Academy of Ballet, directed by Joanne Nix, and the Academy of Dance Arts, directed by Dick Nordt. One of the features of the evening will be a Modern Ballet danced by Dorothy Dean and Dick Nordt.

Tickets for either of the two evening's performances can be had at Graham's Music Store in Carmel, Abinante's Music stores in Monterey and Seaside, and Coleman's Music Store or Dyke's Grove Pharmacy, in Pacific Grove. The doors will open at 7:30 and the curtain rises at 8:15. Photograph by MONTEREY STUDIO.

## AT THE HILL

A specially-arranged showing of "Grandma Moses," a color film on the beloved American primitive painter, features this week's bill of fare at the Hill Theater. The film was brought from New York for this showing and for one subsequent showing in San Francisco and is being held through a change of feature attractions at the Hill in order that the largest

possible number may see it.

Playing tonight and Saturday with the Grandma Moses film will be the "pixillated" Gary Cooper-Jean Arthur opus, "Mr. Deeds Goes to Town," which made everybody laugh back in 1936. Accompanying it on the Hill screen Sunday and Monday will be the Gracie Fields-Monty Wooley comedy, "Molly and Me."

This annual meeting of the Music Society has become an event of distinction to which season ticket holders and board members eagerly look forward. All subscribers to the season just ended are invited to attend, and cards have been mailed them.

The meeting will be conducted by Mrs. A. M. Allan, president, who will call for reports from committees, including the report of the finance chairman and of the nominating committee for new board members.

The business meeting, which begins at 8 o'clock, will be followed by a musical program. At its last meeting, the board voted to engage the young California pianist, Sylvia Sue Jenkins.

### PREPARE YOUR CAR FOR VACATIONS

Are you planning a vacation trip or a long weekend drive? If you are, the California Highway Patrol has a few suggestions to add to your enjoyment and safety.

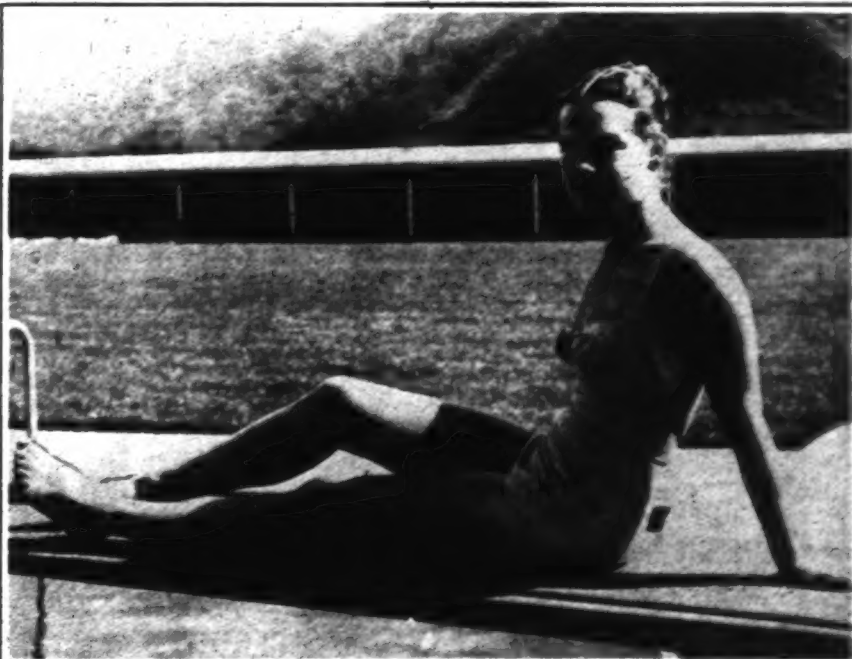

First, prepare your car for the trip. Whatever its age it is important that it be in sound mechanical condition, not only to insure a trouble-free journey, but for the safety of you and your family. Before starting out have it checked thoroughly by a good mechanic, paying particular attention to the brakes, steering mechanism, lights and tires.

Second, prepare yourself. Check your driving attitudes, your driving courtesy and patience. No car is any safer than its driver.

Third, after you have started on your trip, drive at reasonable speeds, never faster than traffic conditions warrant and in no case faster than posted speed limits. Don't invite an accident or tragedy by driving when you are overly tired or fatigued. Remember that darkness increases danger so slow down at night.

Last, never pass another vehicle on a hill or curve.

Those suggestions, if heeded meticulously, are your best insurance for a carefree and pleasurable holiday, the Patrol declared.

**ALL BREED DOG SHOW JUNE 10**

The 26th Annual Del Monte Kennel Club All-Breed Dog Show and Obedience Trials will be held on Sunday, June 10, at the Del Monte Lodge, Pebble Beach. This year, ten internationally famous judges will be present to pass on the more than 600 dogs that will come to the Peninsula with their owners from Washington, Oregon, and all parts of California.

As well as the judging of the more than 100 different breeds of dogs that are recognized by the American Kennel Club, there will be five classes for the Obedience Training Trials in which the Pure-bred dogs ably demonstrate that they have brains as well as beauty. The Obedience Ring is always surrounded by an interested crowd, who are amazed to see the skill and speed at which these dogs work--retrieving, jumping over all kinds of obstacles, and many other different tests that are the ba-

sis of training for hunting, Police and Army dogs.

All during the day the breed judging follows its process of elimination. After the breeds are judged the Six Basic Groups are brought in for the finals. They are the Sporting Group, Hound Group, Working Group, Terrier Group, Toy Group, and the Non-Sporting, which has been called the Companion Dog Group. The winners of these Groups are then eligible to compete for the final award--The Best Dog in Show.

Competing along with the dogs from the outside will be many local dogs owned in Monterey County. Special classes have been provided for local dogs and prizes are offered for their breeds, groups and a Silver Trophy for the Best locally owned Dog in the Show.

None of the officers of the Del Monte Kennel Club are competing themselves this year, but will assist the would-be exhibitor in entering and preparing his dog for the show.

Entry blanks are available at all the Kennels and Pet Shops. Entries close this Sunday, May 27.
